“ *I saw the notice about Penny in the Miamian magazine, but I remember Penny mainly from Wyoming Presbyterian Church, where we were in confirmation class together. Most of the kids lived and went to school in Wyoming and knew one another well. I didn't, but Penny was always so friendly and welcoming to me, and she always tried to include me. She had a great smile and a warm heart. My sympathy to her family on your loss.*

“ *How heavy hearted we are today, but we do feel joy in knowing such an incredibly beautiful person. Joy-filled, kind, generous with her time and of love of children. I can truly say that Penny was a light in this world that shined brighter than was possible. Never ever will she be forgotten.*
