“ *I wish we could have been there to celebrate Penny's life. More importantly is that God was, and is, with you now and forever. Penny is where we would all like to be...with our Lord and Savior. She has no more worries and stress, just happiness and completeness. You have been, and are, in our thoughts and prayers. We love you all! Aunt Kathy*

“ *Dustin, Lisa and I are terribly saddened by your loss of Penny. I am glad I knew her. I know you are surrounded by people who love her and you and your children and may they be your strength. I heard you plan to stay on the CST. Good! You need that and they need you! I wish you all the best possible in the time ahead. Take good care. LTC S PS I tried to make it to calling hours but the weather caused me to have to turn around.*

“ *Mr. and Mrs. Miller - I just heard about Penny and I am so sorry. I haven't seen Penny since high school, but have nothing but wonderful memories of when we were kids, playing at your house and going to church. My thoughts and prayers are with you and your family during this difficult time.*
