“ Good morning conversations with your stepdad. You respected and loved him for being so selfless. Anticipation of your mom's arrival into town. You loved her food. I was looking forward to her chicken and dumplings someday:(

Always had SO many stories of how her tough love kept you on the right track. i told you about my speech impediment. You told me about your studder lol..

Your enthusiasm for your kids interests. Watching your big kid self trying to "parent" your kids when they acting up...yet they are as big as you! Lol imma miss every.single.detail.

3 years was never enough. "I have lived with you and loved you, and now you are gone. Gone where I cannot follow, until I have finished all of my days." Ill love you forever and after.

Till we see you again at the gates of heaven Pete Powell.

“ To the children... Your Father loved you all so very much. Ever since I met him in Arborwood so many years ago I knew his love. He always had a story to tell. If you ever have a need I'll always be here for you. Never hesitate to reach out. Myself I've lost my greatest supporter! My friend who was always there never failing at my side pushing for greatness. Petty Pop I'll keep pushing forward. Goals we spoke of will be met. Rest peacefully my sweet love. Watch over me and keep pushing me along. I'll take it from here!! I love you deep my Petty Pop!!
