“ Oh MaryLou - I was so saddened to read of Pete's passing in the O-D. I have fond memories of how spirited and funny he was, a wry sense of humor and a larger than life spirit even in the face of rehabilitation. I send you love and hope that the love of your children, family and friends will wrap around you and comfort you as you grieve.

“ Marylou, very sorry to hear of Peters passing. That photo that was in the Utica OD was perfect. He loved to laugh and to make others laugh. I honestly have a conflict for monday at 11:30, but my thoughts will be with you and your family. My wife passed back in 2010 and I know that your family and friends will help get you through this difficult period in your life, the way that my friends and family helped me. Roger Goff

“ We don't know where to begin when talking about Pete. He was a wonderful, wonderful man. Who, if you were around him, you would laugh and laugh. There was no stopping the stories when he, my father [Uncle Tony] and several cousins got together at weddings or other family functions. Story after story. He was a Brownie in Utica and was well liked by all who he tested. To listen to some of the stories of those trying to get a license was hilarious. And how he loved Marylou and would give her a hard time. I have many fond and happy memories of Pete. May he be at peace and pain free, enjoying a cocktail up above with the rest of our families. With heartfelt sympathy to Marylou, Peter, Debbie, Mark and all his beautiful grandkids. He will never be forgotten.  
Cousins, Greg and Therese
