“ Phil will be dearly missed in the neighborhood. Our sympathies go out to Laurie, Ryan and Keegan. Phil always showed kindness to my children when they came to spend time with his sons. He was eager to show the kids new things, and he had the patience to teach them enthusiastically. He was a great role model that could be counted on to lend a hand and to look out after others. My wife and I still remember an occasion where our daughter needed emergency surgery, and Phil and Laurie didn't hesitate to watch our son for us. On the spur of the moment, in the evening on a school night, they offered to take care of him. This enabled us to stay overnight in the hospital with our daughter. It was comforting to know our son would be treated like family and would be gotten safely off on his way to school the next day. Phil was friendly to everyone, and was always happy to wave or stop and share in interesting conversation with folks in the neighborhood. Phil and family will be in our prayers.

God bless!

“ Phil and I were both in the transportation logistics business and our paths crossed many, many times. I knew Phil for over 20 years and he was always smiling, laughing, telling stories on the one hand and on the other he had a great business sense. Our industry has lost one of the "best". He will be missed. Phil will be in our thoughts and prayers for him as well as his family and friends. God Bless.

“ Dear Johnson family and friends, I am so very sorry to hear about the passing of Phil. We were friends in high school. I have fond memories of Phil who was a dear soul-always kind and good for a laugh with the best of them. He towered over me and would always give me a hug and joke about my height of 5 feet and nothing. I was blessed many times over with his gentle words and happy spirit. May you be comforted with good memories and the peace and grace of the Lord Jesus Christ.

“ Very sad to hear this news. Our heart felt condolence to the entire Johnson family. I have great memories of Phil, and feel fortunate to have known and worked with him. Phil was always gracious and VERY entertaining. He energized the people around him, in or out of the office. I always marveled and enjoyed the unusual world topics Phil could discuss in great detail, such a bright and engaging person.

*RIP Phil, you are in our prayers.*
