“ *I am so shocked and deeply saddened to hear of Phil's passing. Phil and I worked together for several years at Giant Eagle. He was a quiet, pleasant man that always had a smile and kind word for me. We shared our stories of growing up in Dublin when it was the "old" Dublin. He often talked of his parents and you could tell how much he loved and respected them. It was my honor and pleasure to know Phil. He will be greatly missed by so many. God Bless Phil.*

“ I send my condolences to all of Phil's brothers, sisters and extended family. I was a classmate of Phil's in the graduating class of 1966 at Dublin High School. Phil was part of a small group who wrote our class history and I was lucky enough to help. I remember how much fun we had. Phil was creative and funny. I will remember Phil's great personality, great sense of humor and kindness. It is with great sadness to know I won't be sharing anymore good times with Phil.
