

Philip R. Drake

July 18, 1957 - April 14, 2019

Philip R. Drake, born July 18, 1957 passed away on April 14, 2019. He is survived by his wife, brother, two sons, three daughters and seven grandchildren.

After graduating from Ball State Phil would begin his career with 84 Lumber. Throughout his working life it was always the people who made it valuable. He loved 84's "family". He was a "land man" who covered thousands of miles throughout his life/ Always fascinated by life's offerings. Phil had many sides/the hockey player whose crossovers would make bystanders blush, the sportsman who brought his sons and son in laws shooting on Thanksgiving morning, the Porsche driver who acquired official racing status. His sense of humor was as dry as the desert. His true passion was his family. His family is blessed by his strength and kindness.
