“ I am so sorry I didn't know about Phil sooner. My heart is breaking for your family. Phil was one of the most genuine, honest people I've ever known. I'll always remember his smile and easy way with people. I remember when he taught the banking class and met Deb - what a romance. Everyone loved Phil, including me. It's so sad to know he's left us. “ Charlie, I am Sharon Wolf's sister and have met you and wanted to express my sincere sympathy on the passing of your father. My sister said that he was such a fun guy and great father and I wanted you to know that my thoughts are with you. I know Morgan too and Sharon said she made a wonderful slide show of your Dad. I know Bryan came home for the football party in honor of your Dad. My sincerest sympathy goes out to you for your Dad as was so young. Patty Rauss
