“ *Dear George and Family: We know all to well what you are going through and are so sorry about the passing of Phyllis. We will hold dear the fun memories of our time in the Worthington Shrine Club as well as our visits in Florida. We broke bread many times together and enjoyed every minute. We are here for you should you need anything. You are not only close in our hearts but physically our neighbor. Please do not be a stanger and stop by anytime. Now we pray that the good Lord hold you all close in His care and give you the comfort that only can come from Him at this most difficult time. You have our love.*

“ On behalf of my late husband , James Timko, and myself we are so sad to hear about the passing of Phyllis. What a dynamic woman she was. Anytime someone was around her you could feel her energy and her zest for life. She was passionate about causes that she believed in and she will be missed by this community. Claudia Timko
