“ My sympathy to the family of this fantastic lady. She was a hero, a mentor, and an amazing boss and friend. I have thought of her so many times over the years since I retired. She gave me so many opportunities and encouragement throughout the years! She taught me how to be a boss with compassion and thanks to her I am who I am today. I never loved working for anyone as much as Phyllis. She was the most amazing person, who made you feel important and welcomed you into her heart and her family! God Bless you Phyllis and your family. Loved you so much! I have Many Happy Memories!
