“ *When I think of Phyllis, my heart smiles. She had funny sayings and jokes that she shared that will always be remembered. We admired how she cared about her friends, family, pets & community. She certainly was a mentor to many in this village, a pillar in the community & will fondly be remembered in many loving ways. She touched lives & made friends everywhere she went. We will treasure the many memories she leaves us...she was one very special woman. We are blessed to have known her.*
