“ *Dear Bob and Sarah - We are so sad to learn you have lost your wife and mom. I was privileged to watch Sarah in our home when Phyllis first returned to teaching after Sarah was born. It's a shame we've lost touch through the years, but we have fond memories of the time we spent with Sarah, and Tina enjoyed having Mrs. Waugh for science. We will keep you in our thoughts and prayers. Bob and Elaine Angell*

“ *Mrs Waugh was a wonderful Science teacher. I had her back at West in '89 and her and Miss Broock (sp) was so good together. This past year I had come to realize she was my daughter's teacher at South. We took her my old yearbook and it brought a tear to her eye. She will be missed.*

“ We were very sorry to learn of Phyllis' cancer and now her passing. We always enjoyed her visits to our restaurant and making her lomein. I was glad we could make dinner for her this spring as she battled cancer and the effects of chemo. Take care.
