“ *Portia and Edie have been good friends for a long time. My heart was so saddened to hear the news across the miles. So from Oklahoma, I send my love to Edie and to Portia's extended family and of course, her puppy during this time of loss. I imagine that she's finished her race and celebrating with Jesus. She has a lot of crowns to lay at his feet. We'll see you in the morning, Portia. I love you Edie. Carol Osterstock*

“ *Working with Portia was a blessing. She was caring and not afraid to witness to customers and pray for those in need. Portia waged a courageous battle. I never heard her complain about her cancer, but I did hear her praising God for bringing her through the rare first surgery. May God bring peace and comfort to Edie and her extended family. Love, Nancy Menefee*
