“ *I worked with Ralph as a teenager at Oakland Nursery. He was always a gentleman and treated us young boys well. When the owner would raise his voice at us boys Ralph would whisper to us not to worry about it. He always encouraged us to eat a healthy snack at break. He also told us that when his children were in a hurry to leave the house at meal time he would tell them that it only takes 5 minutes to eat. I was always happy when I got to go out on truck for the day; usually to mow lawns. He was a good role model.*
