“ *Garcias.....I just wanted you to know that you and your family are in my thoughts every day. It is such a difficult, confusing,painful, lonely, sad, scary time filled with so many emotions you don't know what to do with. I'm praying that you find the strength to help you get through this. I know the kids are an amazing source of strength. Your dad/grandpa seemed like an amazing person who filled your life with complete love. You have been so blessed...and like Dawn told me, you wouldn't trade any of those wonderful memories for any less pain. Love and hugs to you all. Linda Weiler*
