“ *Hello Mullins' - We are shocked and very sorry to hear that Randy passed away earlier this month. We did not know until Robby heard a teacher at school mention it. We are very sorry to have missed the funeral service; we most definitely would have been there had we known. Please let us know if there is anything we can do to help. Our prayers are with you during this difficult time. I know you have many happy memories to help you smile through the tears. Love, Kim, Rich, Robby and the kids*

“ Dear Michele and family, Charles and I want to express our sincere sympathy to you and your family for the passing of Randy. We know he is in a better place and finally at peace again with his body. As you know, Randy was a wonderful man, who will never be forgotten. His calm manner and easy going style made him an excellent person to work with for the 28 year I was fortunate to do so. He brought integrity and work ethic to every position he held at LabCorp. He will always be remembered as a tremendous person and valued friend to me. Want you to know we will not be able to attend either the viewing or funeral as we will be in North Carolina, leaving Friday am. We are sorry we will not be able to show our respect in person. Please know we our thoughts will be with you and your family. Charles and Donna Dudley

Indeed, comforting white thoughts are coming your way.... May the knowledge that you are being thought of by so many who each of you and Randy have all touched be some small comfort. Sincerely, Janice (Kathleen Cermak's sister)
