“ *Dear Alsnauer family, Although not personally knowing Mr. Alsnauer or your family, I want to extend my condolences for your loss. It seems that many never take to time to show concern for others, even persons that we do not know, during difficult times. It is my hope that you gain strength from the God of comfort that comforts us during our tribulation as mentioned at 2 Corinthians 1:3-4. He soon promises that this evil menace “death” will be no more (Revelation 21:3-4). I hope that your family gains comfort from one another and the promises that we can rely on in God’s Word.*
