“ *Please accept my sincere condolences on your loss. Ray and I worked together @ SCOA. Although we had our disagreements at times, we truly liked one another. I know the last few years were difficult on Ray and I'm sorry we could never get together for lunch. The world has lost a good man.*

“ Georgene, Nicole, and Rachel, Ray was the first person that I met in the office at SCOA in 1973 and we became friends. (He was bigger than me, I had no choice). I have fond memories of our days at SCOA. we kept in touch over the years but not as often as we could have. I will always remember him as the BIG Guy, who was really a big Teddy Bear. the only thing bigger than Ray was his giving and loving heart. He will be missed but never forgotten

“ George, I know how much Ray loved God and his family. We never had a meeting over the many years that he did not talk about you and the girls, Nicole and Rachel or his grandson Zach and his son in law Nick. I have never known anyone with more courage in spite of the many, many challenges he has faced over the past few years. Despite his illness he never failed to have a positive outlook on life and he was so very, very proud of you and his family. He will always be remembered and I am thankful for his friendship. I am sorry that we are flying out of Columbus, early tomorrow , and will be unable to personally pass along our condolences. Our thoughts and prayers are with you as Ray leaves a tremendous void.
