This is Laurna Stroth Brown. Lee was a wonderfu person..I was a little girl when hebecame a part of our family and was always delighted to be around him. He was a real jokester and a truly caring guy. I cherish the times he drove Uncle Bob to Newcomerstown so he and my mother could visit when they no longer could drive themselves. And oh how Lee loved Aunt Jo and Laura Nelle's Angel food cakes! He was truly a valuable part of our family and we greatly miss him here on earth and look forward to seeing him once again for eternity,
