“ I had the pleasure of meeting Ray at Trillium when I first started working there. I also had the chance to meet his wife, who sadly passed away before him. They were such a lovely couple, and Ray was a truly wonderful person. I always admired how devoted his children were, they often came to visit, share meals with him, and even stopped by in the evening times before he went to bed. You could tell he was a loving father and husband.

May he rest peacefully, and my deepest condolences go out to his children and the rest of the family.
