

## Rebecca Elisabeth Stanfill

January 12, 1993 - June 16, 2024

Rebecca Elisabeth (Hunt) Stanfill, beloved wife, expectant mother, daughter, sister, and friend, passed away unexpectedly at the age of 31 on June 16, 2024. She was a radiant soul whose kindness and warmth touched everyone fortunate enough to know her.

Rebecca was born on January 12, 1993, in Cincinnati, OH. She was very involved in various activities while growing up, including softball, soccer, acting, and tennis. She graduated in the top 10 of her class at Northwest High School and went on to pursue a degree in business from Capital University.

Outside of her career in sales, Rebecca was an avid CrossFitter. She volunteered with Kindway, which is a prison ministry for women and helps with their transition back into society. She cherished spending time traveling and being with friends and family. Her spirit and infectious laughter made every moment spent with her memorable.

Rebecca's passing leaves a profound void in the lives of her family and friends. She is survived by her husband, Collin Stanfill, her parents, Fred and Lisa Hunt; her brother and sister-in-law, Rick Hunt and Heidi Olson; as well as her aunts, uncles, cousins, grandparents, and a wide circle of close friends who will forever cherish her memory.

Rebecca is joined in heaven by her expected child, Natasha Elisabeth Stanfill, who her family believes would have been the spitting image of her. Natasha was due to join this world on January 11th, 2025.

A celebration of Rebecca's life will be held on June 25, 2024, at Lifepoint Church - Lewis Center, 7404 Graphics Way, Lewis Center, OH 43035. The visitation will be from 3:00 PM to 5:00 PM, followed by a memorial service at 5:00 PM. There will also be a Catholic Mass on July 2nd in Cincinnati, OH, at St. John Neumann Church 12191 Mill Road, Cincinnati, OH 45240, starting with a visitation from 9:00 AM to 10:45 AM, followed by the 11:00 AM Mass. On the evening of July 2, there will be a Celebration of Life held at St. Bartholomew Church in the Krumpe Activity Center, 9375 Winton Road, Finneytown, OH 45231, from 6:30 PM to 9:30 PM. This will be a time to share stories and remember Rebecca.

In lieu of flowers, the family requests donations be made to the Lifeline of Ohio organ donation group through whom Rebecca donated her organs, or you may donate to Kindway in Rebecca's honor. If you decide to send flowers, we ask for no lilies (per Rebecca's request).

Rebecca's bright spirit, caring nature, and enduring love for others will continue to inspire all who were touched by her presence. May she rest in eternal peace, knowing she made the world a better place through her kindness and love. She will be deeply missed and fondly remembered by all whose lives she touched.

“When I first met Rebecca, we were both about four or five years old. I had just moved to the farms and she lived a few houses down, and I like to think we bonded almost immediately about how big of divas we both were.

*This is to say we spent a lot of our time acting out plays, writing songs and singing them in her garage, choreographing dance routines for our fifth grade variety show. This was fun, but it also meant we often had creative differences over who the star was. Back in 2020, she sent me a photo of what I believe was her diary, where she wrote, over and over, “don’t play with Eric until he apologizes.”*

*We were probably both stubborn and headstrong, but Rebecca had this commanding quality about her that made you just want to listen and follow along with her ideas. She was pretty much always right, that I can say for certain.*

*One idea in particular was one summer night, when we were maybe 12, she convinced me to “sneak out” with her and play a “prank” that was really just us blowing up water balloons and watching cars drive over them. After that, we went “streaking” at Clifford George which was really just us running through sprinklers. But with Rebecca, it was the most exciting thing I would do that summer.*

*She was absolutely the star, and she always will be. And whatever we were sparring about that day when we were kids, I’m sure she won. She always did.*

*That’s what I’ll remember most about Rebecca: her total commitment to living life on her terms, self-expression as her divine code, and the gravitational pull that came with her star power. My fondest childhood memories will be with her, singing our lungs out and dancing carefree the way kids should do. She was magnificent to me, and always will be, my first ever friend on Goodfield Court.*

*Thank you to the Hunt family for the gift of being your neighbor, and the privilege of knowing and being friends with Rebecca.*

“ What a pleasure it was getting to know Rebecca over the past several years! She lived life with a fervor to be admired; passionate, kind, and deeply in love with Collin. Such a special person - she had a big laugh and fun personality to match. You always knew when she was in the room! We will greatly miss time with her and having her as a faithful part of the Lifepoint Church family. Thank you God for Rebecca and her life well lived!

“ I’ve known Rebecca for about 18-20 years. I’ve watched this young lady grow up, literally and figuratively on the stage. I have always been fond of the Hunt family. I admired their closeness, kind hearted spirit, the connection between mom/dad and their two children Rick and Rebecca, it’s what I aspire to be like as a parent. One year I was invited to attend “A Christmas Carol” at playhouse in the park, it was a family tradition during the holidays to attend a show. It was so much fun spending time with the Hunt family, they know how to have a good time, and laugh!

When Rebecca went off to college I was able to visit and hang out with her several times while traveling in the area for work. It was wonderful to see a friend, and not eat alone....Rebecca was thrilled because she wasn’t eating dorm food. We would go to lunch or dinner, out for ice cream, you name it. Sometimes she would come back to my hotel and we would watch movies and just chill. It was nice to not be alone on the road, and have her laughter fill the room. The amount of laughs we had...my sides hurt just thinking about it.

*I will miss you dearly sweet Rebecca. May you rest in peace.*

“ How do you summarize 25+ years worth of friendship? Our friendship extends beyond my capable memory, starting with your Dad coaching our Lollipop soccer team. You were my longest friend and have always been my rock, my constant, my forever. We've battled so many storms together in life and we always came out stronger. You were my fiercest loving friend, a true force to be reckoned with. If anyone or anything was standing in the way of one of your loved ones being happy, you would go to war for them and not rest until you knew they were smiling. You were the true embodiment of love. You loved with all your heart and you lived life with every ounce of your being.

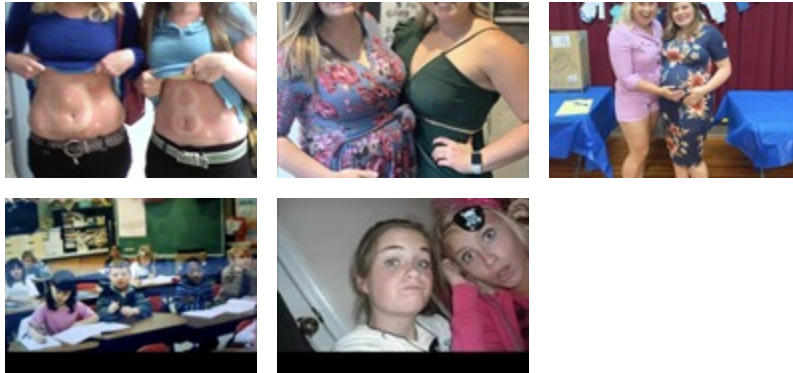

I'll never forget around 2017 when I traveled to Hawaii and had panic attacks non-stop. You were simultaneously traveling in Europe - we were quite literally half way around the world from each other. That didn't matter to you, you stayed up with me during the middle of the night (your time) and made sure I was okay. You talked me through every panic attack and kept me together. You never told me to call you later because you were tired or sightseeing, you were just there. That's just the type of friend you were, always loving, supporting and watching over those in your life.

We were supposed to raise our children together. Now, my children will instead know all about their Aunt Rebecca who is in heaven and how amazing she was. How her friendship with their Mommy shaped every ounce of my being. My children will know that one day they will get to meet and play with their cousin, Natasha, in heaven and that their youngest cousin is their guardian angel. I can promise you, I'm running to give you the biggest hug to say congratulations on your little girl and then immediately giving her all the lovings possible.

I'm so thankful that you met Collin at our wedding and that he was able to give you the absolute best life that you deserved. He treated you like a princess and made you happier than I'd ever seen you - I'll be forever grateful to him for loving my best friend with every

*ounce of his being. We were supposed to have forever together and I keep reminding myself that life on earth is but a flash compared to the eternity in heaven we'll get to spend together. Thank you, God, for putting Rebecca in my life and letting me love and be loved by her. While only Momma Hunt, Fred, Rick and Collin will understand this, I'll see you "IN A MINUTE" my dear dear friend. I miss you so much and I know this void in my heart will never be filled. Yet, I'll carry you with me always and I'll never ever forget you. I love you more than words can express.*

*Love always,  
Your Mego My Lego
