Rebecca Lynn Taylor

A life that touches others goes on forever. Becky Taylor (48) of Columbus, Ohio went to be with the Lord unexpectedly on September 20, 2017. She was a graduate of The Ohio State University (BS in Psychology) and Columbus State (2 Associates Degrees in Business). She was an avid OSU football fan who rarely missed a game on TV. She was the first student with special needs to complete K-12 at Worthington City School system. Becky was always determined to show us what she could do; not what she was unable to do. She was known by everyone for her infectious smile and her heart of gold. Becky was preceded in death by her father, Dr. Gordon C. Taylor. She is survived by her loving mother and best friend, Jean G. Taylor, brother Christopher Taylor, sisters Susan Burns (Tim) and Karen Hurley (Steve), nephews Jacob and Mitchell Burns, niece Ashlynn Burns.

At Becky's request, no services will be held. In lieu of flowers, please consider making a donation to: THE GORDON C. TAYLOR M.D. and JEAN G. TAYLOR R.N. Endowment Fund c/o the Ohio Heath Foundation, 180 E Broad St 31st Floor, Columbus OH 43215. This is a very special fund to Becky. It awards scholarships to nurses in the Central Ohio area. The family wishes to express their heartfelt gratitude to the Riverside Methodist Hospital staff for their care and compassion that Becky has received both now and through the years.

“ *Jean we were so shocked by Becky's sudden death. We had just seen the two of you not too long ago and Becky was her usual feisty self. We know you will deeply miss her. We will miss her too.*

“ *Please accept my family's heartfelt condolences on the loss of your dear loved one. May you find comfort and peace in the fond memories of them, and The Almighty God's promise to restore those asleep in death, to perfect life on a paradise Earth, as written in The Bible for our comfort.*

“ *So sorry to hear this news. Becky and all her family were a special part of my childhood. I have many fond memories of playing with all the kids, Girl Scouts, paper recycling, tree house, match box car races, soda in the garage, a crazy pet raccoon, marshmallows for Debbie, watching soaps on the couch when I came home sick to their house, going to swim meets in a station wagon. Becky always managed to be one of the gang. Thank u for sharing her with me.*
