“ Rodock Family,  
I am so very sorry for your loss of your sister. I have been a co-worker and friend of hers since 1980. We've shared many good times both at work and away from work. She came twice to our house and spent the night and we had so many laughs. I think everywhere Renee was there were laughs. She was a fun person to be around. We will miss her terribly as we know you will. I have a feeling that God must have been needing some laughs in heaven and that is why he called her.
