“ *Our brother-in-law, Rich, has been a cherished member of our family, for well over 45 years. We met him when he began dating Linda's sister, Judy. We liked him right away and we loved seeing how nicely he treated Judy.*

Rich was an extremely intelligent, well-educated man who provided a wonderful life for Judy and his twin daughters, Alison and Kelly who brought so much joy and pride into Rich's life. While we have too many memories to share in a brief message, the one thing that most comes to mind is a smile, laugh, or chuckle, as Rich provided us with so many funny moments to remember and now cherish!

With much love, Linda and Tom Golin
