“ *Thinking back on the life of the Cady family from the time I can remember as Leanna and I were always close school friends and I spent lots of time with her and her family, Richard truly loved his life partner Roseanna but was totally dedicated to his family life and children Rich and Leanna. Rich was always close to his father and Leanna was truly her father's daughter and she saw to his every need until his last breath with patience and love and there was a love between them that no other person could share at the end of his long life. Leanna went with him on honor flight and they were close to the end. She was dedicated to him until the end. I'm sure he was so proud of her and she was so loving towards him to tend to his needs with. The same quiet resolve and love she had as her father's daughter even as a young child. No one could come between them.*

“ I met Richard (Dick) Cady at Minerva Park Church of Christ where he was an elder of the church and song leader on Sundays. Later I became very close to his two children, Rich and Leanna, and have remained close friends to all since 1970's. I am praying for all of them and for the companion he had for many years also.

“ I have only known that sweet Richard as "Linda & Richard, the best neighbors!" What a wonderful couple and I am so glad they found their true love. Many of us never find that and it was so fun to see those two together, laughing, doing projects and making memories. I can still hear Richard say "I am so lucky I found Linda and love her so much." I wish his entire family time to celebrate a life well lived and glad you all have the memories that are yours forever.

Richard and Linda have been two of my best friends--they loved each other so much--it really showed--I am surprised that Linda was not mentioned in the obituary --I think that is very hateful--Richard wouldn't have wanted that--

“ May God hold Leanna and her family and children in his hands during this time. Richard is reunited in heaven with his one true love Rosanna. For 65 years they were true friends and partners and enjoyed so many things together. I have many happy memories of them as a child growing up and going on camping trips with them. They worked as a team and their love was unwavering in a way few loves are. May we all spend 65 years with our soulmates like Dick and Rosanna Cady. They are together in heaven.

“ I will always remember the big smile Richard would get when he would hold Linda’s arm during Wii Bowling! He loved having her so close for so many years. May God comfort you, Linda, and his family during this time of grief.

“ *Uncle Dick was like a second Dad to me. He was my Mom’s baby brother and she loved him so much! We will all miss watching him count out the exact number of cereal biscuits for breakfast and watching him put peanut butter precisely to the edges of his toast (he learned that from Grandpa Cady). I will miss him so much but I know he is now in the arms of Jesus and is with all our family in Heaven. Sissie my heart and prayers are with you and your family.*
