“ *Richard was a straight arrow. He always maintained integrity in all that he did.*

Our aviation career's brought us together over the years. Having him as a volunteer on the FAASTEAM was a plus. I will truly miss our friendship. My condolences to the family.

“ *Richard was an exemplary husband to Teresa, a great father to Vicki and Randy and a supportive loving son to his parents and his in-laws. As a friend, I felt a part of his tight-knit family, so for me, it is like losing an extended family brother. You are missed already.*

“ So sorry for the loss of a wonderful person from a wonderful family. I am a lifelong friend of his sister Leanna and would often go camping with Leanna, Rich, Teresa and Mr. and Mrs. Cady as a child. Those were always wonderful trips and we always enjoyed our time together as children. My heart goes out to Rich's extended family, his parents, his wife and children, and Leanna and her family. His suffering is over. May he be at peace and may that be a comfort to all.

“ *Teresa, your family has been so special over the years, and Rich's passing leaves a giant emptiness for all who knew him. I will miss his bear hugs and his great smile and his gentle spirit. Jay and I love you and will keep you all in our prayers and our hearts. He will be waiting for you with open arms, as I know Pat will be waiting for me. God bless you.*

“ Dear Teresa & Family, Our hearts are saddened by your loss of Rich. The Cady Family have lost a "gentle giant". Rich was such a humble man & we never heard him say an unkind thing about anyone. Rich was VERY devoted to all of his family & God. Rich will be greatly missed by all who knew him! We hope you all know how many thoughts & prayers surround you. May God hold you all in the palm of His hand! Pat & Vickie Payne

“ I had the privilege of meeting and then working with Richard when Limited Brands acquired their first Boeing -a 727. Richard was part of the Limited team that oversaw the modification work that my company was hired to perform on the aircraft.

When the modifications were completed, Richard and the aircraft returned to our facility in Orlando several times over the next several years for scheduled maintenance.

Richard was meticulous, painfully thorough and a top notch professional--the best I have ever met. He was a kind and considerate professional who set the standard of excellence for all of us. I am a better man, father, friend, and worker for the example Richard set-. It was just part of him. Most of the rest of us have to work for it.

My deepest sympathy to the family. May happy memories soon replace the your acute Grief. Your Father/Husband/Uncle/Grandpa friend was an exceptional man who lived a life to be celebrated. Cherish, honor and nurture that part of him that resides in each of you.

God bless you all and know that Richard was known and admired wherever he went.
