“ *Karen, I am so sorry for the loss of your beloved husband. I had the privilege of being Dick's secretary for 17 years. He was the most kind person and gentle giant that I knew. I knew I could always turn to him for advice and he was my confidant. I was honored to have him for a boss. The world has lost a truly wonderful person. My prayers are with you.*

“ *Love to the family of Mr. Richard (Dick) Carpenter: You have my utmost sincere condolences. Dick was the most respectable, personable Senior Vice President at Karlsberger Companies, and I had the opportunity to work with him on numerous occasions. I always admired him because the color of my skin was not an issue with him. He respected me as a dedicated, intelligent employee who believed in the Company and did whatever it took to get proposals/presentations completed without missing a deadline. I will always remember him for his timely response to his input in proposals that we produced for prospective clients. Kudos to you, Mr. Richard (Dick) Carpenter. God Blessings to your Family, Sincerely, Brenda J. Murphy-Calloway*

“ We love you Dick and Karen. Please know that we are here for you. We will always remember Dick and all the talents he had from playing a mean game of bridge to photography, painting and even arranging things so beautifully in your lovely home. I loved his sense of humor and his quiet, kind manner. May God give you peace during this difficult time. Marty and John
