“ *David and family*

*I knew your father for over 50 years. He was one of the finest men I had the privilege of knowing and working with. He was a client, personal surgeon, and wonderful friend. He graciously flew us to Michigan several times and displayed his wonderful skills as a pilot. I have seen him several times over the last few years and he always was gracious and happy to get reacquainted. We really enjoyed each other.*

*I will miss seeing him and always have fond memories of our time together.*

*We are in Florida and unable to attend the funeral which I regret. Our thoughts and prayers are with you at this time*

“ Kay and Family, So sad to hear of the loss of your Dad....as I think back to our years at Whirlpool I have fond memories of him. I was also fortunate to meet and spend time with your Mom as well. I am sure they are rejoicing their reunion....take comfort in knowing they are together again.
