November 23, 1926 - November 16, 2018

Richard "Dick" Lyden, Ph.D., of Dublin, Ohio, passed into eternal rest Friday, November 16, 2018, one week before his 92nd birthday. He was a husband (married to Marjorie for 70 years), father, grandfather, great-grandfather, WWII veteran, and educator. Dick grew up and graduated from high school in Bellaire, Ohio. Always grateful for the GI Bill, he received a B.S. degree from the University of Dayton where he met Marjorie, a student nurse at Miami Valley Hospital. He earned a M.Ed. and Ph.D. in Educational Administration from Miami University. During his career he was a teacher, principal, and school superintendent in Ohio and overseas at the Singapore American School, the second largest International American School. He enjoyed fishing, gardening, traveling, cooking, reading historical non-fiction, woodworking, interacting with his health club buddies, spending time with grandchildren, and OSU football where he was an usher for many years. Dick is predeceased by his parents, Edwin and Ida Lyden; and sisters, Eileen and Emily. He leaves behind his loving wife, Marjorie; daughters, Vicki Lyden, Connie (Terry) Dolder, and Peggy Lyden; also his grandchildren, Hilary Stork, Ben (Cari) Stork and their son, Jude, Collin (Courtney) Dolder, and Garrett (girlfriend, Taylor) Dolder. The family wishes to thank the special people who assisted Dick this past year and the compassionate end of life care at Kobacker House. His family will have a private celebration of his life and accomplishments at a later date.

“ *Your father sounds like a man engaged in life, with so many interests and activities. Certainly, he placed high value on education, both personally and professionally, which he shared with his daughters. (Vicki was one of my son's best and favorite teachers!). I hope his last days at Kobacher house were gentle. My thoughts are with you.*
