“ *To the Entire Maslyk Family ... I knew Dick for many years through our association with credit union ( s ) and Columbus City Schools. I worked in the Treasurer's Office at Columbus City Schools and became friends with Dick, as well as, a business colleague. His dedication and love to his family, profession, staffs, and all those he served in the community made Dick a truly remarkable man. I shall miss his " ornery " sense of humor, and the times we enjoyed rounds of golf, just sitting and talking, and most of all, just enjoying his company. From myself and my family, may God Bless and Keep You in His Grace Now and Forever !*

“ *Susan and Family,*

*I am so very sorry for your loss! I have such fond memories of Dick from the six years we worked together. He excelled at his work, but most of my memories center around his impish sense of humor. He was a man who knew how to have fun and brought a lot of joy and laughter to those around him. We were all blessed to have had him in our lives. Please know that you and your family are in Bob's and my prayers during this sad time.*

“ Dear Susan & Family, Dick was an amazing man. Always positive and knew his stuff when it came to managing Financial Institutions. I am glad he had time with family during his retirement. He and Susan enriched my life. DAVID and I will always have a spot in our hearts and remember the good times with both of you. I won't be able to attend the celebration because DAVID was just released from hospital, he fell and broke some vertebrae bones, in a brace. But my spirit will be there and my prayers. “ We feel so incredibly sad to have lost our dear friend, Dick. We loved talking with him, sensing his passion for life in everything he did. He never did anything half-way and was always sure of his convictions...he was such a good and honorable man! He loved and treasured Susan (endearingly always calling her “honey” and “sweetie”), his daughter and his family, his friends, and his precious Murphy and Maxie. It was great that he devoted so much of his time and energy to Charity Newsies, such a wonderful organization. Dick had the best sense of humor, too! We loved to hear him laugh, and will miss hearing his funny stories. He would bring “the girls” over to our house before he and Susan would go on vacation so we could take care of them and we would sit on the back porch for a long time and talk and laugh. Susan and family, our hearts go out to you during this difficult time. It was such a shock to lose Dick; may your faith uphold you and God's love surround you.

“ *Susan and family - my heart is with you ALL during this time!*

*I didn't know Dick very well, but I know Susan and Dick were "partners in crime" in the fun department. I will always remember the story Susan told me about one Halloween ... both Dick and Susan dressed up as pumpkins and wore actual carved out pumpkins on their heads! <3*

*Love to all of the family.*
