I'm so sorry to her of your dad's passing. I remember your dad (and mom) from the pizza deliveries back in the day at STRS on pay day Fridays. Having lost my dad several years back, I truly understand your heartbreak. May you find peace and comfort in the days ahead.*

“ I grew up across the street from Richie and Shirley My Best friend..then and now.. is Cindy their daughter !! We was always getting into mischief.. I remember being around 6 or 7 and trying to do some evil Knievel stunts on my huffy bike with the banana seat ..well didn't go as planned I totally wiped out and put a huge gash in my knee ..I was crying and blood was every where ..Richie was there instantly.. calming me down and cleaning up my injury !! Spent a lot of Nights in their home and going to the pizza house to eat as much as I could and jamming dum dum suckers in my pockets from there ..wish I would have kept all my pizza house shirts I had over the years) And a lot of other family fun !! they always included me in !! I hated when they moved out of the neighborhood but we always kept in contact and I always felt like part of the family Richie was a Good Man with a big heart and awesome sense of humor !!! He will definitely be Missed !! My prayers are with his family!!!! My Deepest condolences xoxo Michelle Roden
