“ *My brother-in-law, Well Rich your back with your parents,they made life good for you,and were so proud of you. We all feel saddness, and loss, you will touch all of us and help us through this dark time. I will forever see your smile, and feel your huggs, no amount of time will take that from anyone you touched in your life. God got it right with you Rich, it was the rest of us that should take stock in our selves, and strive to see the world through your eyes. All my love forever, and always my brother-in-law. Your Brother-in-law Carl*

I continue to be proud of the words I shared in that moment of grief, but I continue to be even more proud that I was the Brother-in-law of Richard Gage.
