“ *Dick had a profound effect on the lives of philatelists everywhere. He was a great guy and we are so glad he came frequently to Francos even if it was hard for him. He was fun and there are a few jokes of his that Diana tells frequently. We were thinking of him fondly the other day and wondering...and then Gary read of his death in The AP. Many sorrows to you -- and to the world for his loss.*

“ Doris, Tom, Steve and families, We will always remember the kindness shown to me by Uncle Dick and Aunt Doris while I was growing up. Also the support given to Janet and I both while we were in school in Columbus. Dick was a special person, whom we greatly admired. We will always remember him as part of the greatest generation. Our thoughts and prayers are with all of you.

“ Dear Doris and family, We were sorry to hear of Dick's passing and we extend our sympathy to you. Marcella and I have enjoyed our visits in your home over the years. Our friendship goes back to when we were freshmen at The Ohio State College of Engineering where we shared many of the same activities -- one of which was the pistol club. I always admired Dick's ability to quickly come up with a solution to a difficult problem. Our thoughts and prayers are with you. Yours with love, Bob and Marcella Koerner
