“ *Rich and I worked together on the Moose Road campus around 10 years ago. He was famous for a great sense of humor, we had fun with pranks daily! He had a great love for people and their safety, doing things right, and soup! Rich will be missed by many.*

“ *I went to Worthington High School with Rich, class of '85. He was the best guy. Always smiling and great to me from aged 14 to 51. I am really going to miss running into him and catching up at Amano's. Only the good...*

Thoughts and heartfelt condolences to his family and everyone that loved this great guy.

“ Rich Graham was my boss for a number of years - he was well-liked and respected by everyone who worked for him. He was a man of few words; he may have gone a full week without saying so much as 8 words to you; but at the end of the day he was the person you went to when there was an issue, and you knew he always had your back. That's all you can ask for in a boss.

“ During the short time that I knew Rich, he was a man of very few words, but like another said he had a big heart. Even though I only knew him for about 8 months, he was a great individual to work with. Many of us here, will miss seeing him and it will be difficult to fill the vacant chair.
