“ Condolences to Sandy and all of Dicks family members. We just heard of his passing. My family was acquainted with Dick for many years. I especially had a long history with him since we both attended Westerville High School. After graduation I had a daily visit from him at the Worthington Savings Bank where he stopped to make deposits from his barber shop. Also many visits for hair cuts for my son and then later hair cuts with my grandchildren. He was a great person and I regret missing his memorial. Again I send my condolences to Sandy and all of Ducks family.
