“ I am so sorry to learn of the passing of my Worthington High School classmate, Dick Race. He was always an astute, witty person. In these past few years, we befriended each other on Facebook, and we were often appreciative and supportive of each other's posts and points of view. I have lost a wonderful rediscovered friend and I will miss his presence. — Frances Huggard Migliaccio, Block Island, Rhode Island

“ To All the Races,
Gabriele, Jackie & Ryan, and I send our sincere condolences on the passing of Dick. He will be greatly missed. As "Cousin Betty" said to me when my brother Gary passed, and Dick drove your parents to the funeral, "The Good Lord must have really needed him in Heaven."

“ *To All The Members Of The Race Family, Karen, Michael, and myself want you all to know how deeply saddened we are to hear of Dick's passing. When we think of all the times our families got together it's impossible to not smile and laugh ---whether it was the antics of us kids or of our parents!!! We know Dick is in a much better place and spreading his sense of humor to those who have gone before. You all are in our thoughts and prayers during this time. Much Love.*

“ *Deborah, John, Amy and all of Dick's extended family,
My wife Kim and I are so sorry for your loss. We first met Dick as a
neighbor on Hepplewhite Court in Westerville, and our paths
crossed for decades thereafter. We will always remember him
having a unique sense of humor, a very inquisitive and thoughtful
mind, and a sincere greeting of friendship whenever and wherever
we'd meet up again. Take care of one another. Let your faith help
you through these heartfelt times. Memories of Dick now become
treasures. We send you all peace, light and grace--from all the
Wheatley family.*
