“ *Dick knew me when I had cancer in 8th grade and prayed for me as I went through treatment. As I got older Dick would ask my parents whenever he saw them if I had a boyfriend yet? It became a routine question when he would see me each year at Secret Santa and for years the answer from me was "no" and his response was that he would pray for me. I do believe that his prayers were answered when I met the love of my life at age 35 and was married 3 years later. Thank you Dick. Carolyn Koncal Breinich*
