“ *Kip - Doug and I were at Rutherford's last Thursday, and there were so many people that we did not get to talk with you. We both have fond memories of Rick from the OSU Ice Rink -- he was fun to be around, but more than that he was kind. We're so sorry for your loss and hope that healing will come with time.*

“ *Dear Rick, Too much time has passed since last I saw you, Kip and all of our friends from the OSU days long ago. My heart goes out to you, and Kip, your families and our friends who feel the loss of someone who was such a bright star in our lives. When I heard about this today, my mind raced back in time - nights skating at the rink, the varsity club, turf management stories, golf, and all the fun we had together as a group of friends. A beautiful soul has left our midst and has found his place somewhere in the night sky. There is a new star in the sky tonight. He joins many others who have loved and left this world. His name is Rick. He is still shining... My thoughts and prayers are with you, your beautiful family, your brother Kip, and our friends who were lucky enough to know you. Peace.*

“ This is a tremendous loss of a beloved guy. Every OTF when we connected, I would ask Ricki, when are we gettin' together? He would respond, well Ricki you know "We got work and family." Not a person more dedicated to both! Our Lord will bless this family and welcome this man home. Our beloved guy has made us stronger with all that matters in life. Thank you Rick Tyler. Can we create an Ohio Turfgrass Foundation Trust for Madison and Jackson?

“ Oh Rick, my longtime friend...I am so sad.. My condolences to your family. We shared lots of good times and that is what I am keeping in my head. You always talked fast, were quick to laugh, and had that great head of flowing hair. We shared a love of skating and lots of mutual friends. Rest in peace dear Rick, I will miss you.

“ *My thoughts and prayers go out to everyone whom Rick's life touched. This has been a difficult week for me, and in my heart I can feel some of the pain his family and friends are feeling. Being one of those friends, I will always treasure the time that Rick gave me when I called on him as a salesperson at Blackhawk. We have all lost a great father, husband, uncle, co-worker, friend, and golf course superintendent. May God be with us all as we remember the great man that Rick Tyler was.*
