“ Prayers and condolences to the Williams family 🙏. I met Dick while I delivered mail regularly to his home on Mayflower Blvd in Whitehall. We became friends and recently worked along side one another in the NALC branch 78 election committee. I looked up to Dick . He was an outstanding person and leader . He did it all with a smile, accompanied with a contagious laugh .
Rest In Peace my dear friend 🕊️

“ Tonya and family, so sorry to hear this, I feel blessed to have known Dick, for the short time I did. I enjoyed playing cards with him, and he always had good advise to playing the game. He always had a comforting smile.

May God bless your family throughout this time of sorrow.

Love and Blessings, Jill

“ *He was a good man. The best brother-in-law ever. I was always at their house growing up because we had so much fun playing cards and games. He would always win trivia games. He was so knowledgeable and I looked up to him. He was always kind. My very first motorcycle ride was from him when they lived in English Village. He is probably the reason I love to ride to this day. May he rest in peace and dance with the love of his life in Heaven. I miss you both, more than you know. Love always, Sansan.*
