“ *Rest in peace my cousin and my friend. I will always treasure the great times we had over the years. I take comfort that we were recently able to spend time talking and sharing memories. I pray that you are in a place of peace and acceptance. You will be missed, but know that your memory will live on in the hearts of those who love you. Love, Cheri Banks Van Dyne*

“ *We were very sorry and shocked to hear of Rick's passing. I pray God will wrap your family in His comforting arms in the days, weeks, months and years to come. Your family has been through so much. I have many fond memories of Rick laughing, playing cards, shooting pool and yard games and of course, we can't think of Rick without thinking of how he loved cooking! He did that so well and I know he enjoyed cooking for his family, whether it was for a few or many! I know he will be missed.*

Sincerely,

Sorry to hear about Rick's passing. Rick took me to the prom back in 1971 at Brookhaven. I knew him from 4-H and I worked with Larry at Chemical Abstracts. As a matter of fact Rick and I were engaged for a short period of time. He was my first true love. My thoughts and prayers go out to the family. I know he will be missed. Jean Emrick Lyttle

The grace and peace of Christ be with you all. I am saddened to hear of Rick's death. He and I worked together for a time at Franklin Imaging. He made that job fun for me. I knew him as a gentle spirit. I am better for having known him. I pray that you all will find joy in memories and strength for these hard days of grief. God bless you.
