“ Bob,
We miss you wondering up and down the drive way. The way you would look around waving to the passers by and lighting up the neighborhood with your joyful laugh and smile. You were such a kind soul! Not a day goes by that I don't- see- you sitting on the front porch with Karen. Judah has mentioned your name several times and its moments like this that allow us too keep you alive in our hearts. We love you and miss you dearly. Hugs to you and your entire family...

Aaron, Rachel, Maggie, Judah, Jake, Lucy and the newest member you never had the chance to meet- Grace.....

“ *Hi Karen, my condolences to you and family in the loss of your dear husband. I did not have the pleasure of meeting him but know the sense of loss you feel, as I have been walking in similar "shoes" for the last 5 years. May wonderful memories comfort and sustain you and family in the days ahead.*

“Big Al” the one and only. Will forever remember his humor, smile, demeanor and friendship. We worked together for many years, enjoyed golf leagues and weekends playing different courses, deep conversations about nothing and lots of cocktails. Bob was a riot to be around and would make any person laugh at his off the wall jokes, while he would wait with his innocent grin and bright eyes for the reaction. Just thinking about Bob brings a smile to my face. I love you old buddy and will keep our memories in my heart, until we meet again.

May God continue to provide peace and comfort to the family and provide
His promise of eternal love.

“Judy, losing a brother must be extremely difficult. I have five and can't imagine losing one of them. Please remember the good times you shared and the good life he lead. He will be in another place - one far from this place- but you will see each other again.
