“ Mary Jo and family. I just learned about Bob passing. What a great guy. I 1st met Bob when I was still working in the County Jail; Bob was working with Phil Corbitt. I was privileged to know Bob for many years and was able to maintain our relationship for my entire career as a Deputy, and also maintain a "family" membership after we both retired. Bob was always helpful and always happy. Bob was a proud FCSO Deputy and a Very Proud MARINE. Semper Fi my Brother. When you get to the gates, mention my name, I have several of my Marine Recon Brothers already there, They will welcome you with open arms, and will gladly permit you, as the new guy, to buy a round.
