“ *I was Bob's training officer when he graduated from the Academy. Working with him at that time, I knew he was going to be an excellent Officer. Our paths crossed many time through our careers. God bless Him and his family.*

“ *I worked with Bob in Juvenile Narcotics and adjoining Patrol precincts. A good man and dedicated officer who always had your back. My condolences to the family and yes, he and Barb have been reunited.*

“ My sincere and deepest sympathy Alicia. I have so many fond memories from growing up across the street from you. I ran in to Bob several times and still called him Bobby. He was always such a kind and caring person. He's at peace now and no more pain. He and Barb are together once again. I'm sure he and Joe are reimagining. Rest in Heavenly Peace Bobby.

“ I remember running into Cousin Bobby in the late 70's at a very popular club in The Continent called Jerichos. I had just walked into the club & was walking passed the bar when some guy stopped me & asked if my name last name was Schott. After answering yes he said you don't know who I am, do you. To which I said no, he then said I'm your cousin Bobby. Hadn't seen him since I was a kid. I asked him if he came in there a lot to which he said no & that he couldn't tell me why he was there. Can you say undercover drug work.
