“ *MY deepest sympathies are with the Bruning family, Bill was soo funny and I really enjoyed his sense of humor..... I really enjoyed my High School years over at the Bruning household and spending time with each of them..... When I first met Bill,I called him Mr. Bruning.... He said call me Bill..... Well Im a slow learner, so the next few times, I still called him Mr. Bruning..... He said call me Bill, my dad is Mr.Bruning and he isn't here and you make me feel old when you say that.... He was one of the guys that had a young heart and spirit..... My memories at the Bruning household will always be cherished...*
