“ *Dear Cousins, your Dad was my favorite Uncle! I loved spending time in Edgerton and Hicksville with Aunt Ev and you little kids!*

My mom Joanna, used to say Bobby was her favorite brother! But, they were the only two kids... however, she adored him!

She was totally surprised when he showed up at our home in Dublin for dinner on her 75th birthday; and shocked to think he would make the long trip to OH from NC on April 5, 2003. I am glad he did visit because that was the last birthday she celebrated with him. They visited again at Renee's wedding in September '03 for the last time! She died in April 2004 (2days after her 76th birthday😭).

I am confident they are now with each other in heaven telling jokes and talking about horses and fond memories of Grandpa R L Craig and the fun they had growing up in Urbana, OH.

May the peace of Christ be with you all as you cope with his physical death and your personal loss. He was greatly loved by me and so many! Robin Lee Rose

“ A Message for Rick Craig,
Rick, I send my sympathy for the passing of your Dad. I remember when Pete was still coon hunting, your dad always wanted a young coon that would not have much fat on it, he wanted it to cook. I also remember you having a date with a teen-age relative of ours that was visiting us, she was from England. I am keeping you in my thoughts and prayers during this difficult time. I would love to find a note in my mail box from you, catching me up on where you are and what is happening in your life. My address is 112 Rock St. Hicksville, OH 43526. I send my love.

“ Mom, we send you our deepest sympathy at the loss of your husband. We are so grateful, however, for the many years you and Bob shared with each other. We will always treasure those special occasions when we were all together, whether it was in Ohio or North Carolina. My kids have special memories as well, like the time Grampa Craig came to Chad's basketball game wearing that crazy ponytail hat. Lyndsey always had Grandma and Grampa Craig supporting her in her gymnastic recitals. What special memories for us. We love you and our prayers are with you mom. Lovingly, your daughter and SIL, Randi and Terry

“ Kacee,

I am so sorry for your loss!

Your Dad and Mom also, were just great people!

Your Dad was not only a good "Dog Doctor" but he was just a great person. I can hear his contagious laugh!

What great memories I have of ALL you family in Hicksville and swimming at your home.

I think of you and all the good times we had riding our horses and what great families we had to make that possible.

God bless you all during this rough time and I hope for healing in the days to come.

With lots of love,

“ After we both lost our spouses in death, we met and our journey began with "You Are the Wind Beneath My Wings" .From there our marriage took us on some wonderful trips together and some with friends. We spent sweet time with old acquaintances and made new friends especially at church. Of course family time here in NC was always special when we gathered with my three children, eight grandchildren, and fifteen Greats! I am thankful for the good memories.....His last words to me were " I Love You".

Missing you,
Your Wife, Jeanette

“ We are deeply saddened to learn about our dear friend's passing. Bob was like my Pinehurst Dad and was always there to give a big hug! Bob and Dale loved sharing veterinary stories along with golf and OSU football! Our hearts are grieving and our deepest sympathy to all of the family. Bob was a very special man for sure. With love and heartfelt sympathy, Dr. Dale and Cheryl Hague

Thank you for the kind words, John. The Mohre family was and will always remain special to the Craigs. Dad considered Mary one of his best friends. Her letters meant the world to him.
