“ *I got to know Mr Dellovade when he would come to expresscare for blood work. I looked forward to seeing him and hearing all of his stories. We would always worry if we didn't see him for awhile and were just wondering about him yesterday. I am so sorry for your loss. He was a great man and we will miss him terribly.*

“ *Mary, Leslie & Amy, we are so sorry to hear of Bobs passing. We tried to call, but to no avail. We did not have a current phone number. We have sent you a check made out to the wounded warrior project in Bob's memory to the last address that we have in steubenville.*

*We know that you both were married in 1962, the same as us and were looking forward to your 60 years together.
May God be with you all in this time of grief. Love you, Jean & Don Donatelli*

“ *My condolences to Mary and daughters. My dog Mulligan and I often stopped by and talked with Bob during our daily walks. Bob shared great stories of his life and family. He was a very proud man of his journey. I'm sorry it ended too soon. Mulligan pauses every day and looks at Bobs garage door to see if he's there to call her name and offer his daily belly rub. We miss him. God bless.*

“ To Mrs Dellovade and family,
You have my deepest sympathy in the passing of Bob. When I got on the board at Steeplechase I not only met a man I respected but a man that we became real friends. Oh he was tough and used some colorful language when we first met but when I used the colorful language back he looked at me and said I respect you and shook my hand with that powerful grip.From there on out we became friends and would talk baseball,lawn care etc..He always joked with me that he had my number on speed dial! LO.L He was a good man that I always enjoyed conversing with. He will be missed but you now have a guardian angel watching over all of you! May Bob RIP!
