“ *Hi Laura,
please accept my sympathies on your loss. I did not know your father, but coincidentally, I was going through some papers from my late father, and found a stack of safety posters, I believe from the 1950's, from the Industrial Commission of Ohio, and most of the artwork was signed "Bob Doty". When I googled him, I found the obituary. If you would be interested in having the posters as a memento of your dad, I would be happy to mail them to you. All the best, Barbara Alexander, balexander@cdc.gov.*

“ Bob was a roommate (along the way) with Doug Bullock at the Pataskala Oaks. Doug is our brother and brother-in-law with Down Syndrome. Bob was proud of his children's books art work. We were impressed too! Recently we spoke, as he was on his way to supper in his wheelchair ,he asked if I knew where he could get a good glass of red wine. I laughed and said I might bring him one next visit...but he wanted it to be a GOOD bottle, at least \$17 ! Bless his heart, he seemed sincere, and I could have accommodated if he weren't living in a nursing home! He seemed kind and we will miss seeing his smile as we visit Doug. Kathy and Mike Bullockq
