Robert Edward Ewing D.V.M. passed away February 16th, 2021 at Willow Brook Village in Delaware, Ohio. Born 4-10-1935 in Buffalo, New York to parents Robert and Maybelle (Allison) Ewing. Preceded in death by his loving wife of 56 years Donna Jean Ewing, and sister Louise Ingram. Survived by son Daniel (Cindy) Ewing; daughters, Karen Johnson and Molly Colburn, and brother-in-law, Fred Ingram. Six grandchildren, Allison and Wes (Becca) Ewing and Jesse, Alex (Taylor), Austen Johnson, and Lucas Colburn. Two great grandchildren Levi and Wyatt Johnson. Graduated from Grandview Heights High School and The Ohio State University. His veterinary practice was adjacent to his Henderson road home where he practiced over 30 years. Close to retirement he and his loving wife built their dream home on a 45 acre farm in Marysville, Ohio. They sold Christmas trees on the farm and provided many great memories at The Red Barn Tree Farm for nearly 25 years for kids, grandkids, and friends. He loved to fish, spend time with family and friends and attended as many sporting events possible that his kids or grandkids participated in. He appreciated and cherished new friends and staff that he met at Willow Brook Village. He was a member of First Presbyterian Church in Marysville. A private service will follow later in the year when we feel we can safely accommodate.

“ To the Ewing family,
It is with great sadness I learned of the passing of my friend and schoolmate, Bob. I extend my sympathy to all the family members.

There are many warm memories of the happy times growing up and going to school in Grandview Heights. Bob's giving nature is reflected in this one special memory.

I had the good fortune of playing football with Bob. I played Line Backer my Junior year and Bob was positioned at End, in front of me. Without fail, every time the opponents ran the ball our way, Bob would unselfishly sacrifice his body, take out all the blockers, leaving the running back exposed for me to make the tackle. That year, I credit Bob's unselfish team spirit allowing me to make so many tackles, I was named to the all-conference (CBL) football team.

I pray you are comforted through your bereavement journey with many joyful memories, as the one I shared.

Growing in love with memories of Bob,

“ I'm very sorry to hear about Dr. Ewing recently passing away. My sincere sympathies to Dan & his family. I would like to share the following story :

When Dan & I were in High School, Robert challenged Dan & myself to a 1 mile race around the Whetstone High School track. Both Dan & I were in "good shape" as I recall, with both of us training for our upcoming High School teams.

As fate would have it, both Dan & I raced out to a commanding lead around the track, with Bob chugging along. By the 1/2 mile mark, I felt the cramping up of having gone too fast. I dropped out. Shortly thereafter, Dan dropped out. Final outcome: Father knows BEST !!

“ Here I was a 30 year old with my first pet in 1985.. Dr Ewing was the Vet we chose to take our new puppy to. He went above and beyond to help me navigate what the heck to do with a 5# puppy. I always remember his kindness and time in the years after that whenever we started a new journey with a new dog and there were several. It was nice to read he had a wonderful life after he retired from his practice on Old Henderson. Hugs to his family.

“ As a pharmaceutical sales person I called on Bob for many, many years.

Bob had a busy practice, but always had time to see me.

Doc never, never refused to see me and always listened to my practice tips.

A few years later I saw Doc at the former Anderson's store, being busy we only chatted for a few minutes. However, in leaving Dr.

Ewing explained to me how he enjoyed seeing me because I would always leave him with a new practice tip.

That compliment will always stay with me.

“ *I am so sad to learn of Bob passing. Not currently having an automobile, I was able to visit him only one or two times at Willowbrook.*

Over the years we spent many times together fishing at Briarwood and playing tennis at The Continent, & at Riepenhoff's farm, and in Worthington. I have missed his wit, ideas, and most of all his friendship and the joy of having long conversations about so many subjects.

My sympathy for all his family. My thoughts and prayers are with them.

"Bob & I were teenage friends in Grandview. We lived a few doors
apart on Inglis Ave. We spent lots of time roaming Grandview Woods
climbing trees & fishing in the quarries off Goodale Rd. & Grandview
Ave. We were like Huck Finn & Tom Sawyer. Bob was a good buddy. A
great, easy going personality. I will miss him.
My condolences to the family."
