He was predeceased by his father, Charlton Lingenfelter Holmes, his mother, Norma Elizabeth Holmes, his sister, Vivian Jean Sidle (Holmes), and his wife of 51 years, Mary Ann Holmes (Zeigler). Bob is survived by his four sons, Douglas (Tasha), Scott (Kim), Paul (Madeline), and Dana (Linda); grandchildren Paul (Abby), Colin (Caroline), Marisa, Lucas (Cait), Brian, Stuart (Kayley) and Dashiell, and great grandchildren Caleb, Hannah, Natalie, and Owen. accounting from Ohio State University in 1951. He began his practice of law in 1949 and remained in the active practice of law for 70 years. Bob married Mary Ann Zeigler in 1951, and shortly thereafter moved to Worthington, where together they raised four sons. Bob was involved through the Worthington Presbyterian Church in the formation of Stafford Village. Bob and his wife Mary provided assistance to Hungarian and Cuban refugees, and Bob was a sponsor for many years of participants in the Columbus International Program. Bob was a lifelong advocate for Peace, and was a co-founder and served for many years as the Treasurer of Central Ohioans for Peace. He was actively involved in the political process, and in his candidacy for statewide office was endorsed by every major Ohio newspaper. “Wow, I really don't know how to start... but I do want to send my condolences to his sons and all who loved him. I hardly met Bob for only a few minutes, when he came to the hospital to visit Mary and Dana. My connection to the family was made May 20, when Dana was born. My son Tim was born the same day and Mary was one of my three room mates at the old White Cross Hospital. We kept in touch for a while but the next year 1961 my husband, Harry was activated and his military unit was sent to France when the Berlin Wall was built. We rented out house and Tim and I went to France too to be with Harry and we lost touch with your family. I have often wondered what happened to Dana and I do remember at one time seeing that Bob was running for office of some kind. My husband Harry passed away this past June after 64years of marriage. I would love to hear from any of the boys but especially from Dana if possible. My cell number is 614-599-6093 my email is Barbandht6321@aol.com. Barbara Ann Herbster McKnight

“ My most vivid memory of Bob Holmes is his standing at the northwest corner of 161 and High Street with his band of supporters asking passersbys to honk for peace. This memory is just one of many recollection I have of Bob over the years going back probably the 1970 and he will be greatly missed, My condolences to his family and regret I cannot attend and express in person.

“ I am blessed to have known Bob. I met Bob when we organized the peace group Central Ohioans for Peace. He was very dedicated to peace activities and peace education. He was an outstanding communicator and would talk to anyone and everyone regarding world peace. I loved being with him at the Worthington Peace Corner at High and Rt. 161 every Saturday. He would always hold the sign “Honk for Peace.” He was instrumental in establishing our Educational Peace Contests for many years whereby university students from all over would prepare essays in answer to questions regarding world peace and the United Nations. The students would then present in person and receive awards. I will miss him dearly. I am grateful for his wonderful personality and activism.

“ We were so blessed to get to have Uncle Bob join us for many holidays, special family events and family visits. He always showed such interest in each person attending and asked for updates on their jobs, their children and what the children were involved in. He made everyone feel special because he cared about all those things. He even engaged with the little ones in conversation and in play!

His happy demeanor, his cheerful whistling and the times we would hear piano music wafting down the hall when he slipped away to play are all things we miss!

He was also such an attentive and thoughtful brother to my mother, Vivian. When she could no longer drive, he came to our house weekly for many years to pick her up and take her to church and out to lunch with her friends. He made it possible for her to have a rich social and spiritual life when she might have been very isolated without his help and loving care.

We wish we could be with you in person to celebrate his life and share special memories. Please know that we are with you in our hearts!

“ *One hundred years is a long time to live. It also provides a long time to do good work in this world. Many of us have good values and care about the rest of humanity. Bob was part of a smaller group of people who act upon their values and principles. Every time I drove through the intersection of High Street and 161, I would honk for Bob and the dedicated group demonstrating for world peace. That gave me a great sense of admiration for Bob. It takes a thoughtful, dedicated person to give up personal time on the weekend and to focus on issues that are larger than us. Kudos to you Bob!*

Holiday dinners would bring us together to celebrate and converse. Bob would run through the typical status questions about family and work. But more often than not, he would throw out a question that required some critical thinking. He challenged us. He got us to reflect. He got us to think outside of our personal paradigm. He was a man of integrity and substance. His presence and contributions will be missed.

My sincere condolences to the Holmes family and all the persons who benefitted from knowing Bob.
