“ *Jere Melo was (and IS) pure sunshine in his daily life, work and contributions to his family, friends and community. Since the day he married my close friend and co-worker, Madeleine, knowing Jere has been a gift. Seeing all the joy, enthusiasm and love he poured into whatever he was doing inspired me and I'm sure everyone else who knew him. When I remember Jere, it is his shining smile and his reflection of light and love that he always gave to this world. Here is a man that lived his life every moment, with all he had to give and so beautifully. May we all carry his light with us now. Nam myoho renge kyo*
